Dear Jean:

21,252 square foot building VAN CON is erecting for me is almost finished. It is exciting to see the beautiful building materialize.

Your superintendent Darrel Gibson is excellent. Sean Olson is a treasure. Brilliant, consistent and charismatic. Today construction is mostly a troublesome chore. But your expertise and caring attitude has made this an exciting adventure. Thank you for your hard work and your effort to please.

May Ollie Davis Medical Arts and Education building be worthy and able to serve the needs of the community for many years to come.

Sincerely,

*Ollie Davis*
