Dear Mrs. Maychack,

As we near completion of the heavy construction and day-to-day operational phase of our building project at Sacred Heart I wanted to take this opportunity to thank you and all of the individuals from Van Con whose time, talent and expertise have made this parish one of the most beautiful churches in the Archdiocese of Cincinnati.

As you know the construction of Sacred Heart Church had all of the early makings of a difficult project: funding, timing and the national economy were all elements seemingly lined up against us. Yet, Van Con set reasonable goals and timelines so that hurdles to the project never became pitfalls. This type of leadership and planning can only be accomplished when experienced professionals are at the helm; consequently, what I found in Dan Holdgreve, Carl Back, Darrell Gibson and Tim Ferguson was nothing less than professionalism, experienced leadership, creativity, dedication, motivation and an ability to motivate others, and a genuine sense of love for what they do displayed to its highest levels.

I always found, in each one of these gentlemen, a willingness to listen and a heartfelt desire to solve problems and difficulties, not just as they arose – but in a number of instances – before they reached problematic levels. The hard work of Dan, Carl, Darrell and Tim navigated us through early months of bad weather and later months filled with holidays and deadline concerns. Never once did I hear or experience any of these gentlemen site difficulties on the site as a means to stop or slow down construction – quite conversely I did see these gentlemen handle every issue and difficulty placed before them in a manner which made me very proud to have my name and the name of my parish affiliated with Van Con.

Mrs. Maychack, in my opinion there are no finer individuals to work with than Dan Holdgreve, Carl Back, Darrell Gibson and Tim Ferguson I am proud to call them friends and recommend that you keep them in your employ for as long as you possibly can; it is difficult in this day and age to find true craftsmen, true professionals and true workers, how blessed you are that in these gentlemen you have found all of those gifts wrapped together.

Once again thank you and thank you for the opportunity to work with Van Con, rest assured that our working relationship, from my point of view, is not coming to a close but only just beginning. May God continue to bless you and your family as I remain,

Sincerely yours in Christ,

Reverend Michael L. Bidwell
