Dear Dan:

We would like to thank Van Con for making our plant expansion project as painless as possible.

From start to finish, Van Con has taken us from 20,000 square feet to 35,000 square feet. This was the first time for Rack, and it definitely helped having professionals like Van Con. They know what they are doing!

We will call again.

Thank you!

Sincerely,

Craig A. Coy
