Church Motto
*And They Will Know That We Are
Christians By Our Love*

Dear Van-Con General Contractors':

Reflecting upon the passed years from where God has brought us, and to this place where He has drawn us today; we are grateful of His goodness towards us, (St-Timothy's M.B. Church).

Occupying now the new edifice of God's vision to me and this great congregation; where God has taken our Spirituality and Faith to a new level here among us.

His vision towards us was for us to build Him a new Sanctuary. This calling caused us to create both a Building Fund Committee and a Building Coordinating Committee. In doing so, we created a Fund Raising Campaign and found great success from the excitement it generated. There were endless efforts of all the people who took to heart this great work of the Lord's vision for us where every encounter was pursued with long lasting energy.

God brought together for us the paths of both Van-Con's owner and C.E.O, Mr. Sam Moorman and one of our own Associate Ministers, Reverend Lysander Nelms. Their Christian conversations lead to the discovery of our needs to locate a contractor to build for us God's new sanctuary. Within these conversations a another discovery was made to the effect that Mr. Sam Moorman was a Building Contractor who had previously constructed St Christopher Church of his fellowship.

I speak very highly of Van-Con who went the extra mile for us on numerous occasions. Van-Con's professional expertise demonstrated their ability to design and build a church that could function and flow with our followers, to complement our ability to compensate the new edifice of God's Calling and Mandate of process and production.

Van-Con's patience, honesty, and trustworthiness proved out to be a God send to us who in turn was very warm and caring unto our needs as they served us with a personal touch in a timely fashion from start to finish.

We the St-Timothy M.B.Church family truly appreciate Van-Con's great Design and Development of our very beautiful new edifice of God where the complements has never stop coming.

Spiritually Yours,

Alonzo Looney Sr.
