ATTN: Carl Back
8535 North Dixie Dr.
Dayton, OH 45414

Dear Carl:

I would like to take this opportunity to thank you and the Van Con staff for a job **WELL DONE!** Our new facility has met and exceeded our expectations and is a fantastic place to call our home away from home.

A special thanks is due for...

- planning that went smoothly thanks to Bill Hibner, Jr. and George Moorman
- keeping the project on schedule with very few set-backs thanks to *you*
- maintaining a very well organized work site thanks to Tim Colvil

It certainly shows that Van Con successfully implements an impressive TEAM strategy! I am looking forward to working with Van Con again for the 9000+ square feet expansion in the next few years.

Sincerely,

Tracy C. Slemker, CPO
President
