Choosing Van Con ...

Vast experience, building expertise and break-through designs.

Van Con is a professional organization actively designing and building the perfect custom home meant just for you!

—Credibility

Van Con has been building custom homes for over 25 years. Sam Moorman founded this company with an emphasis on quality through design. Van Con has developed into a reputable and desired residential construction firm with many professional affiliations, including registration with the *Home Builder's Association*.

—Integrity

Integrity is the heart of Van Con and nothing is more important. Careful listening and customized efforts accommodate each unique circumstance. Understanding that our role is to be your guide through the concept to completion process makes Van Con the right builder for you.

—Knowledge

Over the years, Van Con has developed procedures to ensure your satisfaction with your custom home. New technology and constant improvements are ever-present in the Van Con culture. Shared learning among our commercial and residential staff members guarantees your custom home is designed and built by the best trained, most skilled and safest professionals in the industry.

—Commitment

Success in the construction industry is hard-won. Ultimately the love of the work propels the industry's best and brightest through long days and harsh weather. Van Con realizes the best players make the best team, and our team is committed to being successful for you. Our team works tirelessly with the necessary resources to bring your dream to reality.

—Accountability

Van Con stands behind every project they have ever built. Each team member represents the company and is responsible and accountable to you. Measured care goes into every design and practiced skill drives every nail. The Van Con team is in constant communication with and is easily accessible to you throughout the process, eliminating frustration and anxiety.

Craftsmanship

The Van Con craftsmen take pride in their work. From the individual details to the project as a whole. Working as a team throughout the process of creating your custom home.

Functionality

The common thread that runs through all Van Con custom homes. We are ever mindful through the design process of your home that "Form Follows Function".

Tradition

The timeless elements that connect family and home. Van Con blends age-old architectural principles with current design trends to create homes that are the essence of how you live.

Elegance

The impression one gets from a Van Con custom home. The result of careful attention to each of the foregoing elements.

Details

The unsung heroes of every project. Van Con's designers know even the smallest detail is important. Often invisible, the details make your home greater than the sum of its parts.

Imagine...

Dear Homebuyer,

The journey you are about to embark on is one of the most challenging and rewarding experiences you will ever undertake.

At Van Con, we are your partner in the design process, helping you to make multiple decisions that will personalize your new home to your family's unique lifestyle. We are committed to a successful outcome in this partnership.

I'm very proud of our employees and their commitment to total customer satisfaction. Your Van Con custom home team members are not only skilled and experienced, but also pleasant, honest, and trustworthy. Guaranteed. They are here for you because they want to be, rewarded by the smile on your face when you move into your new Van Con custom home.

So, thank you for embarking on this journey with us. We look forward to our partnership with you and your family.

Sincerely,

*Jean Maychack
President*
